GRAPHIC DESIGNER

WORK EXPERIENCE

- 2010 – 2012**
Woody's Computing Service
IT Internship - Tech Assistant
Assisted owner with troubleshooting technological issues with clients in other businesses while providing outstanding customer service upon a multitude of individuals with different needs.
- 2011 – 2012**
Smithfield's Parks & Recreation
Scorekeeper
Kept score of recreational basketball, baseball, & soccer games. Some of the job requirements were to assist my team of fellow employees with cleaning up after games in all recreational fields & facilities.
- 2012 – 2013**
Edward's IGA
Grocery Bagger
Provided excellent customer service in a fast paced environment while bagging groceries, stocking shelves, & collecting carts for the grocery store. A few requirements were to assist customers with any problems finding items in the store, helping deliver groceries to the parking lot, & placing groceries inside of customers vehicles.
- 2016 – 2017**
Canopy - Brand Identity Studio
Graphic Design Internship
Assisted at a corporate graphic design studio as an intern while achieving knowledge of various tasks pertaining to the daily operations of a graphic design studio while simultaneously being a full-time student. These tasks consisted of collaborating with fellow designers while working with a multitude of different clients at once in a fast-paced environment, meeting deadlines, and maintaining healthy client/co-worker relationships.
- 2018 – 2022**
Wooten Designs
Freelance Graphic Design
Owner/Operator
Established and generated a multitude of branding strategies for start-up & existing companies around the Johnston County and surrounding areas while establishing exceptional customer service, maintaining stable customer-based relationships, and developing satisfactory end-results for various clients for a diversification of needs from print to digital space platforms while attending college.
- 2023 – PRESENT**
Wooten Design Company
Freelance Graphic Design
Owner/Operator
Designed, developed, and current business entity that has been recently branded while attending college for and developed a new business strategy/approach in order to operate as a creative service for new and previous clientele.
