WORK EXPERIENCE

- 2010 – 2012**
Woody's Computing Service
IT Internship - Tech Assistant
Assisted owner with troubleshooting technological issues with clients in other businesses while providing outstanding customer service upon a multitude of diverse individuals.
- 2011 – 2012**
Smithfield's Parks & Recreation
Scorekeeper
Kept score of recreational basketball, baseball, & soccer games. Some of the job requirements were to assist my team of fellow employees with cleaning up after games in all recreational fields & facilities.
- 2012 – 2013**
Edward's IGA
Grocery Bagger
Provided excellent customer service in a fast paced environment while bagging groceries, stocking shelves, & collecting carts for the grocery store. A few requisites were to assist customers with any problems finding items in the store, helping deliver groceries to the parking lot, & placing groceries inside of customers vehicles.
- 2016 – 2017**
Canopy - Brand Identity Studio
Graphic Design Internship
Assisted at a corporate graphic design studio as an intern while gaining knowledge upon various tasks pertaining towards the operations of a graphic design studio while being a full-time student. Tasks such as working with multiple clients at one time, operating in a fast paced environment to meet client deadlines, & creating healthy relationships between fellow co-workers.
- 2018 – 2021**
Wooten Designs
Freelance Graphic Design
Owner/Operator
Generated a multitude of branding strategies for start-up & existing companies around the Johnston County and surrounding areas while establishing great customer service, maintaining stable customer-based relationships, and developing satisfactory end-results for various clients for a diversification of needs from from print to digital space platforms while attending college.
- 2022 – PRESENT**
Wooten Design Company
